CELEBRATION
Fanfare
Gala

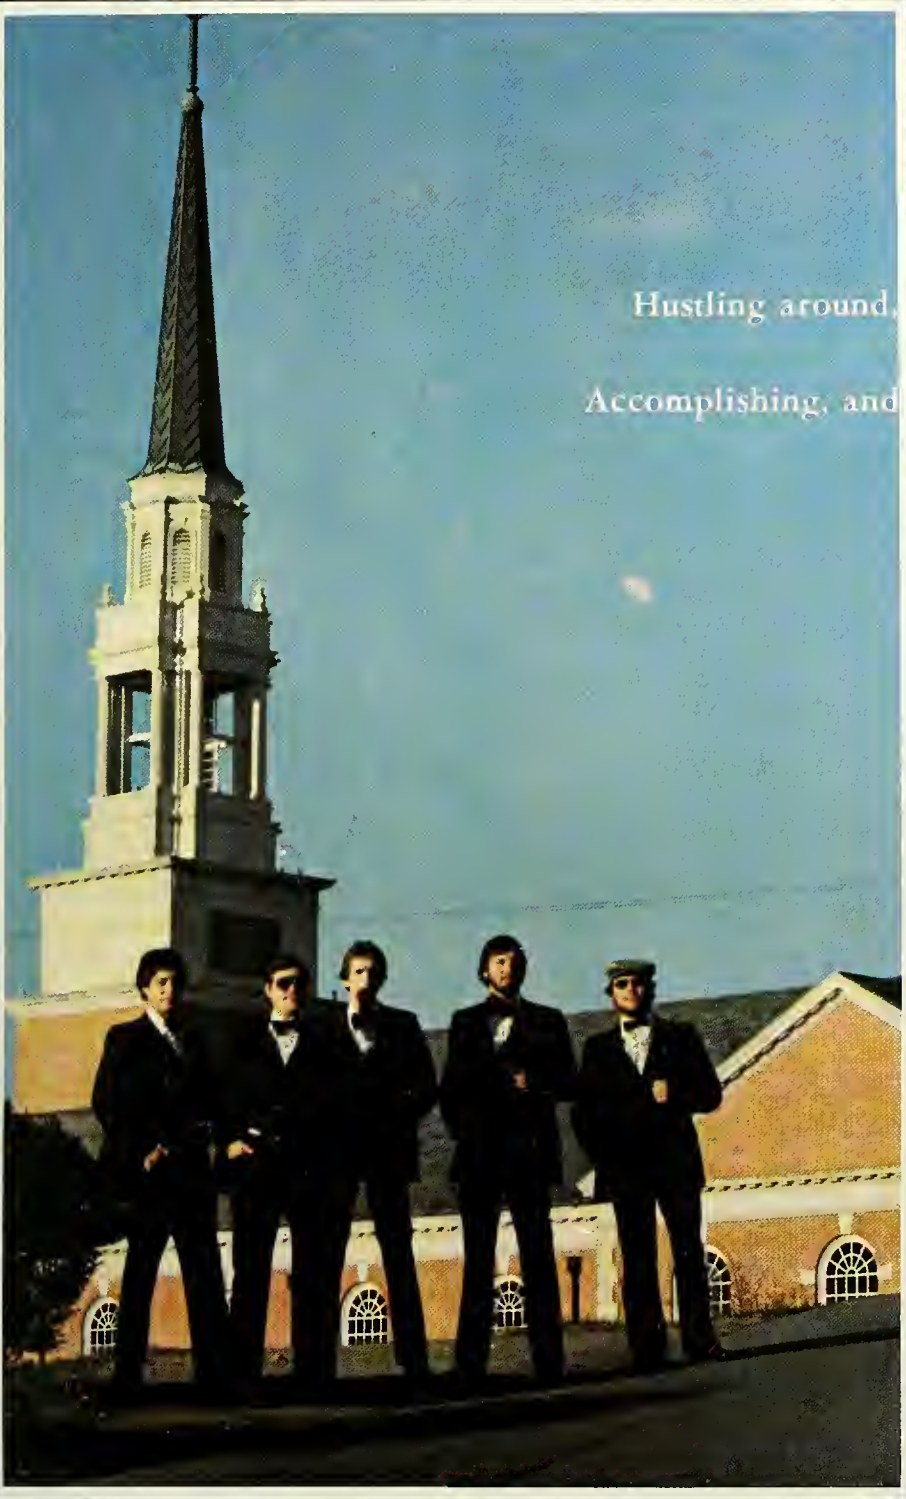

Greet the day with a smile!
Meet the morning
which smacks of God's beauty.

Hustling around,
Accomplishing, and

Winging it ...

Rejoicing in today,
indeed we are—

the moment,
the movement,
the NOW!

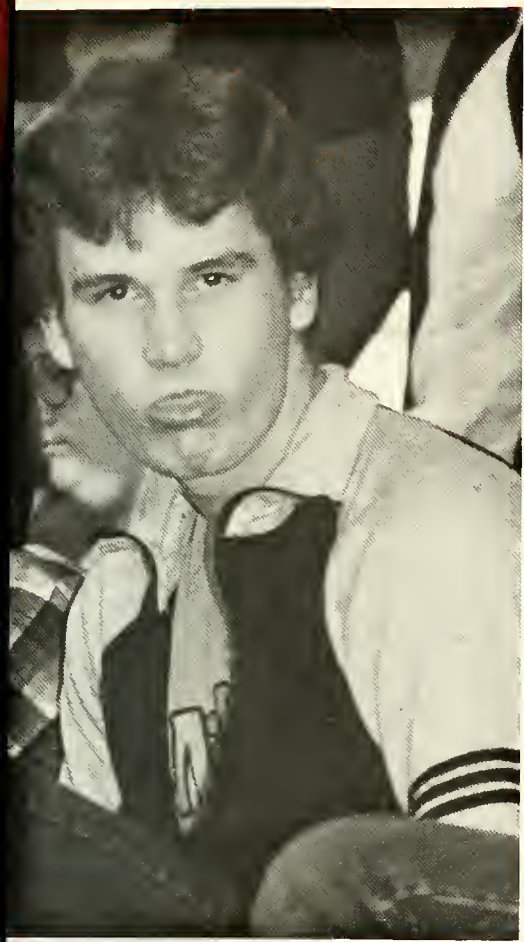

Ours is spontaneity,
renewal
and change!

Today is not a "nice" day;
it's a WOW day
or an ugh day ...

Put a little life into your words,
for we put a lot of life
into Living.

That's the attitude, Buffs!

Celebrate Life!

Seniors,

How can I possibly put into words our past four years together at Milligan College? Our freshman, sophomore, and junior years were full of good times and great memories, and our senior year has been no exception. As a class, we have sponsored skating parties and prayer breakfasts, enjoyed camping together at Red Fork Falls, sponsored Faculty Follies, and retreated together on our Senior Retreat. These times we spent together as a class will never be forgotten, but perhaps even more memorable times will be those that we spent as individuals sharing in each other's joys and sorrows. I am so thankful that we were all here at Milligan not only as fellow students, but as fellow Christians. I feel that for this reason we will leave Milligan with true friends, friends that really love and care for us, friends that we can forever remember, and we can feel assured that they are remembering us.

We have learned so much while at Milligan. Of course we have learned a great deal through the many hours of lecturing and studying that we were exposed to, but we learned so much more. We not only studied together, we played together, worked together, and many of us lived together. How could we possibly keep from learning with all of these opportunities? I regret that the many stresses put upon us by our studies may have caused us to overlook these lessons we have been taught while at Milligan. I just hope and pray that now as we go out into the "real" world to put our knowledge and talents to work that our striving for more knowledge and our eagerness to succeed in our professions will be important to us, but not so important that we forget who gave us the ability to learn and what He wants from us. Solomon says in Proverbs 1:7, "The fear of the Lord is the beginning of knowledge."

I thank every one of you for the best of times at Milligan and I pray that each of you are happy in whatever aspect of life you may pursue. You will always be remembered.

In Christian Love,

Dave Jones

Who's Who Among American Students in American Universities and Colleges

A recognized institution of the American academic community, this Who's Who award is conferred annually upon outstanding student leaders. Over the past 47 years more than 1300 senior colleges have adopted this program as part of their annual campus honors. Selections are made by campus nominating committee and are based on decidedly above average academic standing, community service, leadership ability and future potential. This year's list includes:

*Tom Brunsman
Lisa Evans
Jim Green
Vickie Hill-Green
Tim Hartman
Donna Hazeltine
Laura Beth Hill
Victor Hull
Melanie Means
Jimmy Presnell
Lane Thompson*

Class of 1983

I sincerely hope that each one in our class has truly enjoyed their junior year at Milligan. I believe our class has made more progress this year than any other year before. It seems that due to underpar past class governments, of which I was a part, our class has become a very loose, unorganized one. I am happy to see the trend reversing, but I still see a long way to go. I urge each one in the class of 1983 to become involved, and experience some of the fun, and responsibility in fund-raising. My hat goes off to those who have helped make this year profitable for the junior class. Class government is a tough job, and can be tougher when one has little help. Please help the officers next year by getting involved; you will be the one to benefit the most.

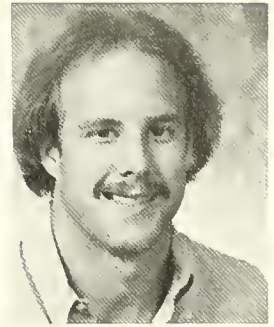

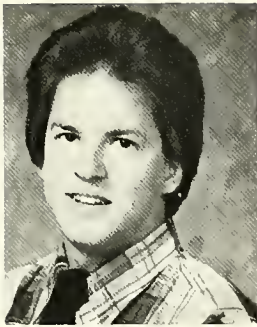

Sincerely,

A Short Summary about the Class of 1984 (sung to the tune of "O Come All Ye Faithful")

O Come all ye sophomores,
joyful and triumphant,
O Come ye, O come ye,
to Mill-i-gan;
Remember the car wash, candy sales,
and talent show,
And Image during Twirp Week,
And tests of which we won't speak,
But most of all be thankful
for HU-MAN-I-TIES!

On the more serious side, all the good times, good friends and good education
should be remembered, and we should also be reminded of how God has
blessed us during this past year.

The freshman class of 1985 is an up-and-coming part of the Milligan College community. We have begun our four-year journey under the wings of our new college president, Marshall Leggett. I'm sure that these next four years will see an advantageous growth not only for our vibrant class, but also the growth of Milligan College itself. I'm proud to have been elected president of the class of 1985 and am excited about our future.

It's Off to a Good Start!

What does a freshman recall about his first week on the Milligan campus? Dinks, hours of testing, and the mandatory library tour tied for the Once-in-a-Life-time- (Thank-Goodness)- Award. Fonder memories are attached to the Faculty Firesides, the skating party, the campus picnic, and, of course, Matriculation. The family closeness of the teams and the busy schedule helped to initiate the freshmen.

Amazingly, the dreaded Milligan Mile played no role in the initiation, for it was officially forbidden because of potential stress and intimidation for the frosh. Many were disappointed, however, at the break in tradition, and even still feel they should have been allowed the "privilege."

Praises to all who coordinated this week, especially Ross, Melanie, leaders, etc. . . .

A Tense, Dramatic Thriller is Staged Simply, but with Flair

Directors Melanie Means and Ira Read opened the Milligan dramatic season with Ugo Betti's revolution play "The Queen and the Rebels" on September 23rd, 1981. The searing emotions associated with political upheaval are portrayed in fear, passionate loyalty, disgust, and hatred. What is the human response? Ironically, even the strongest can be made weak and sensitive individuals may yield to the crushing pressures and conform to the all-powerful ideal—Rebellion.

"Side by Side by Sondheim"

Sensational Students Sizzle in "Side by Side"

Founder's Weekend exploded with the opening of Milligan's glittering production of "Side by Side by Sondheim." Dr. Ira Read with musical direction by Lisa Adkins and Julie Alexander led the cast of nine in a stunning performance. The musical revue featured songs about love and marriage. Performed in Derthick Theater November 12, 13, 14, 19, 20, and 21, the show starred Lane Mack, Lois Loban, Julie Alexander, Tom Howard, Craig Krob, Robin Zimmerman, Melanie Means, Lisa Evans, and Laura Beth Richardson.

Halls are Decked for Madrigal Feast

The enchantment of Madrigal Dinners never ceases to glow in the Christmas season at Milligan. The 1981 Olde English celebration drew guests from all over this region, and manifested the beauty of the Christmas gala. The meal of yorkshire pudding and roast beef, plum pudding with rum sauce and wassail delighted the taste. Moreover, the warmth and joy extended by the student waiters and waitresses, the strolling minstrels and musicians, the court and royalty and all other involved persons fostered the true spirit of celebration. After the jester's antics and a full repertoire of renaissance carols, the feast came to a close as all guests and court sang in hushed praise to the Christ child, "Silent Night, Holy Night; All is calm . . ."

Sopranos: Rebecca Brown, Cindi Leimbach, Holly Ross, Lisa Walker; **Altos:** Susan Pless, Laura Thompson, Margaret Winkler, Renee Wooters; **Tenors:** John Barto, Mike Brown, Jim Burgen, John Meredith; **Bass:** Brian Delp, Jeff Moody, Charles Sanders, Vic Vogt.

"Tho the Weather Outside is Frightful . . ."

While attending college means studying, plenty of other ways emerge in which college students occupy themselves. Even in the cold of February, amusements surface. During snow-days, Milligan students head for Seeger and Emmanuel hills and the golf course, accompanied by intertubes and "borrowed" cafeteria trays for sliding fun! Walks in the snow and moonlight are popular, as are evenings in the dorm lobby for popcorn, TV, and cards.

Right: The snow is "packed" . . . Ready . . . Set . . . TRAY!!!

Warmer Days Inspire Frolic

By the time the early spring flowers pop through the mud of late March, many girls have already been "tanning" on Body Hill behind Hart Hall, and the Pardee Rowdies are cranking up the campus stereo to welcome Spring. Outdoor sports resume in the forms of tennis, soccer, softball, track, baseball, and frisbee. Spring fever breaks out in spurts . . . sometimes even in an occasional convo cut!!

Above: Mark Gotshall gracefully flings the Pardee frisbee.

1982 Sweethearts Go Co-Ed

February 1982 introduced a new aspect to the normal Sweetheart proceedings—male and female candidates. Before this year the ceremony consisted of selecting one young lady—a real “sweetheart” from each class. The Social Affairs committee opted for a co-ed Sweetheart selection this year, since gentlemen can be sweethearts as well as ladies.

The presentation of candidates formally occurred in convocation, with co-hosts Diana Young and Tim Hartman. The presentation turned out to be a hilarious event as the male candidates, attired in coat, tie, dress shirt, and boxer shorts, escorted their ladies. The audience found this quite humorous—in contrast to many of the faculty and administration.

Above Right: Several students entertainers participated in the banquet. Here, Lana Mack and David King sing “Follow Me” by John Denver.

Front: Roy Alford, Julie Voke, Mike Brown, Beth Lewis, Ross Brodfuehrer, Robin Carter, Dave Miller, Lane Thompson; Second: Scott Brooks, Karla Leistner, Dave Bowyer, Denise Cantanzarite, John Dyer, Anne Stilwell, Cindy Wead, Jim Presnell; Back: Todd Cluxton, Beth Cauble, Mark Yeaton, Sherry Day, Diana Young, Tim Hartman (M.C.), Stacy Means, Darius Lecesne. The Faculty Goes Bananas

The Class of '82 sponsored the Faculty Follies following the Sweetheart banquet this year. Admission was small and laughs were great as the faculty (true hams by nature) presented their shananagins. The small audience loved every minute of it. The performers enjoyed it too.

Above: Dr. and Mrs. Hall embrace affectionately during their duet.

Dancing is NOT Part of Our Tradition??

Folks in the Milligan community recall that dreaded mandate which forbade social dancing on campus. SGA secured the approval of the Board of Trustees for the modification of that regulation. Square dances are now allowed! As a part of the 1981 Wonderful Wednesday celebration, the first delightful square dance hailed success, and since then there have been two others. Dr. and Mrs. Gee co-hosted the events.

Perhaps it is not sinful to enjoy the "good clean fun" in dancing—as long as it is promenading?

Milligan Cafe—Chow Time

Eating together as a Milligan family means that the cafe is a "community gathering place". Banquets such as Madrigals are held here, as are ice cream feasts, special meals (Halloween costume night, Hawaiian night, and Hors doeuvres night). With the new Benny Winn the quality and variety of the food is at a praiseworthy level—almost as good as mom's.

Right: Diana, John, Tim, Terry, and Tom—say "Cheese."

The SUB's Got It All

The SUB is probably the social center for the students and faculty at Milligan. Not only does it carry pencils, books for class, and junk food, but there are electronic games and pool down-stairs, and a huge TV screen. Special movies such as "The Goodbye Girl", are shown bi-weekly and a frequent phrase heard on campus is "Let's go see the movie at the SUB."

Talent Abounds at Annual Event

*Each spring sees the tremendous talent of Milligan students and faculty staged in Seeger Chapel for the Helicon Concert. Admission is always a dollar, and the contribution funds the publication of the literary/art magazine **Helicon** as well as providing an evening of sheer pleasure and entertainment. This year, Tim Hartman and Tom Brunsman co-hosted the display of musical talents, and the great efforts of the contributing musicians paid off . . . the applause and appreciation of the audience was great. Special thanks to Pete, Cindi, William, Dave, P.I., and the back-up musicians . . .*

M*A*S*H Wednesday Almost Wasn't

Over and over . . . Wonderful Wednesday was expected and expected . . . and expected. Weather cancellations and examination conflicts almost blotted the spring Free-for-All from the 1982 calendar of events. Fortunately, the Student Union Board was persistent, and the weather was cooperative, and the beautifully planned M*A*S*H Wednesday delighted the campus.

Students and faculty participated in the many events, including the morning fountain clean-up, the noon picnic, the afternoon relays and softball game, and the evening movie. Clad in M*A*S*H t-shirts, khakis and other army garb, the students participated in a M*A*S*H look-alike contest, too.

The day provided for faculty, administration, and students a relaxing day-off, and all sincerely thank the SUB for providing this break!!!

This year proved to be financially difficult for the Junior Class but everything finally came together for the Jr.-Sr. Banquet. Faculty members served the students seated in Emmanuel's formal dining hall for the occasion. The event sparkled with silver and gold, and Robin Miller accompanied by her brother Dave, sang several numbers for the audiences pleasure.

Eugene Wiggington was M.C. for the event and his humor added more pizzazz to the occasion. Dr. Leggett's Senior address focused on success and high goals for achievement.

A Profile of the Audience

Tributes to performances, especially dramatic, tend to be critical analyses of the interpretation rendered by the actors and actresses. Such an account of Merry Wives of Windsor, presented in March as the spring drama, would boldly include praise for the production's delightful handling of this comedy. The spirit of Shakespearean comedy evinced as the chattering wives of Windsor battled wits with Falstaff, that foolish "mountain of flesh." As the audience accustomed itself to the Old English vocabulary, it found itself more and more caught up in the pranks and twists in the marital mix-ups.

Due to technical problems, there are no pictures of the performance, so these two pages . . . dedicated to the production . . . is a profile on the audience members. Students and faculty attended the drama, and most thoroughly enjoyed the production. Perhaps the directors, Dr. Read and Mr. Knowles, should stand and take a bow!

Goodbye, Seniors! Hello, Alumni!

The afternoon of May 16, 1982 blazed with heat and tension as the graduating class of Milligan College lined up on the tennis courts in preparation for the final ceremony as a class. Much effort, study, and personal growth had taken place to make that lineup, but, finally, these men and women had arrived.

Perhaps the most thrilling thing about graduation exercises is being handed one's very own diploma. Following the processional and several addresses, one hundred and twenty-five welcoming hands received that special paper. No longer seniors, for that particular victory had been won, they are alumni, prepared for a spectacular future. May God continue to bless their unique efforts!

Milligan travels abroad

Various trips are made by Milligan students and faculty within the year's time. The Barf trip, taken in early September and led by Drs. Lura and Wallace, acquaints students with marine life, especially birds and mammals. Christmas break is travelling time, too, as many students get involved in the missions-oriented Haiti trip. This trip keys in on the needs of the Haitian community and provides a broadening in American awareness. This year, Dr. Nelson encouraged the attendance of students on a tour of the Holy Land during the holidays. A convention of Christian youth congregate in February for Fellowship '82. A host of expeditions occur in the spring, with choir tours, class-sponsored trips, and various retreats. The DC trip involves a science-oriented tour of Washington, D.C. For summer vacationers, Milligan sponsors the Humanities tours to Europe and field biology trips are offered through the Science Department. California was the destination of the summer '82 study. Travelling public relations groups experience gruelling routines throughout their summer travels, but are rewarded for the labors in growth. Viewing these trips from an overall perspective, it seems that the Milligan community is an adventurous, on-the-go group of wayfarers. Most certainly, the opportunity for experience abroad presented here at the college is a phenomenal one, just waiting for the travellers to pick up their bags again.

Students Honored during Convo

Students and faculty joined administration members in a very special convocation ceremony on May 6, 1982. The previous years had seen outstanding academic awards presented during a banquet, but this year the service was conducted during a one-hour, formal observance. Following prelude and processional, the following awards were presented to pleased students:

Ivor Jones Outstanding Sr. Award—Jim Green

After the announcement of scholarships and students attending graduate school in the fall of 1982, the benediction and recessional were offered. Many students are to be commended for their work; recognition of achievement is a thrilling experience, but even greater is recognizing the hours of effort and dedication which, poured out from eager minds, reaped reward.

Let's Face It

*Looking at the several hundred faces which express what Milligan really is can be a gratifying and humorous experience. One will see joy and puzzlement, pain and sheer boredom, spaciness and determined concentration as only a few of the assorted countenances. The **Buffalo** encourages you to observe those around you . . . and enjoy!*

"We've got the team that can't be beat so come on everybody do the Buffalo Beat!" Certainly, Milligan's cheerleaders worked hard to inspire the crowds and promote school spirit. Their whole-hearted dedication and enthusiastic cheers inspired a winning attitude among the members of the basketball team. The squad bids farewell to their seniors: Brenda Marshall, Darla Morris, Julie Parker, and Rebecca Duncan. The rest of the squad included Lori DeVore, Marianne Wallenfelsz, and Patty Morrell.

The cheering squad is a strong support in the framework of the sports set-up. Leading the crowds to the Buffalo Beat is only part of the squad's duty; lending inspiration and enthusiasm when the score is low constitutes another task. This year, the ladies performed beautifully. Their pride in the basketball team and their unyielding support left its mark on the records!

Helicon Staff

Another Year, Another Publication is Born!

*Helicon originated as an underground student publication in the mid-70's and today retains that somewhat radical heritage. The annual literary publication **Helicon** and the spring Helicon concert allow for the creative talents of students and faculty to be recognized. The five member editing staff in 1982 consisted of Donna Kidner, Pete Moore, Bob Sutherland, Candy Witcher, and John Hall (consulting editor abroad.) Their goal was simply to encourage and support creative excellence. Hail Helicon!!!*

Buffalo Celebrates 100th Year

This year the Milligan Buffalo staff decided to take advantage of the school's 100 year anniversary. Such an event happens only once!

The staff worked many long, hard, late hours to put this book together. We realize it isn't perfect but we feel it adequately summarizes this special year. We dedicated this book to the Class of '82 in hopes for their supreme happiness.

The editors went to this year and Candy Witcher, who supervised the copy, along with Barbara Simpson, who was in charge of the layouts managed to pull it together in the final week.

The Stampede Club is a loosely organized group of students which produce the school newspaper. The club members participate in a number of ways: writing, typing, proofreading, doing layout work, taking photographs, or cartooning—in other words, all facets of newspaper production.

Experience, campus involvement, fame, creativity, enjoyment, or peer pressure are some of the reasons students become members of the Stampede Club.

Actually, writers, photographers, and cartoonists are primarily volunteer laborers. However, they receive some financial compensation which is gained through advertising funds.

As the club has no regular meetings, members work on their own seeking out campus news, conducting interviews, and writing stories.

Officers for this year were: Stacy Means serving as Business Manager, Sherry Day as Advertising Manager, Victor Hull as Editor, and Mrs. Anna May Crowder as the advisor for the club.

SUB Flushed in '82

*The S.U.B. was a not-for-profit organization funded by the sale of activity stickers. The S.U.B. provided monthly campus-wide films which contributed greatly to the life of the MC student. The eight members of the Student Union Board planned and produced the 1982 M*A*S*H Wednesday. It was the most successful Wonderful Wednesday in the history of the board. 1982 waves good-bye to the board, however, for new funding provides for a social life committee in SGA which will take over the SUB's responsibilities.*

Members of the S.U.B. are: Cheryl Pierson, Starlene DeBord, Dave Boyer, Dave Jones, Sue Miller, Kathy Rea, Ross Brodfuehrer, and Tim Snyder.

The Milligan College Student Government Association has worked hard over the years to help coordinate student activities, to participate in the determination of college procedures, and to improve academic standards.

This year was no exception as is evidenced by their major accomplishments:

1—Prompted the Board of Trustees to increase Academic Scholarships and conducted course evaluations

2—Responsible for the Board of Trustee's decision to allow square dances on campus

3—Helped to revitalize the intramural program and established a volunteer student tutoring program

4—Redesigned the student handbook

5—Established guidelines for the rental of Milligan's married students' apartments

6—Instrumental in the Board's decision to budget \$25,000+ for Student Government, Social Affairs, Convocation, the Student Handbook, and concerts and lectures.

Deaf Ministries Blossom at Milligan College

The sign language students at Milligan have channeled their interests in many different forms. Most have taken the non-credit sign language classes offered throughout the year. Many took a trip to the Cincinnati Deaf Institute to attend a weekend of workshops in sign language and Deaf ministry. Some of the students interpret at or have visited a Deaf Ministry in Elizabethton, Tn. The group also took an active part in the Hearing Impaired Awareness Week for Upper East Tn. developing a presentation using signed songs and skits. As a result of the presentation the group has grown into a campus organization called "Eph-phatha" meaning "Be Opened." (Mark 7:34). Eph-phatha's interest and impact has been growing as the group opens its hands and hearts to share with others because of Jesus Christ.

Members of the group are: C. Cornwell, S. Reeves, E. Deemer (student coordinator), A. Uebele, B. Gardiner, P. Kolski, P. Everette, M. Vaughn, A. Black, B. Tucker, J. Auri-gema and others. Not pictured: Mrs. B. Oakes, faculty supervisor.

ΔK

Delta Kappa is a service organization designed to serve the community. This year the club sponsored the bloodmobile, an egg hunt for the faculty's children, and a walk-a-thon for St. Jude's Children's Hospital. Officers are: M.B. Seay, President; L. Thompson, V-President; D. Bane, Treasurer; S. Mills, Secretary; and N. Dunn, Historian.

Library Buffs

Pictured are: Mr. Preston, Stephen Bus, Doug Davis, Amy Bucher, Mrs. Oakes, Wendy Ward, Janet Waterbury, Taffey Davis, and Cindy Cornwell.

The Library Buffs seek to promote interest in the library and to assist in meeting needs that the library may have. This year the club sponsored a Founder's Daughter candidate, held a Christmas party, sold Current Stationery, and hosted a book sale. The fundraising was done to purchase clocks for the library.

Political Science

In response to the growing number of Track V Human Relations majors preparing for law school, the Political Science Organization was born this year. Hosting such notable speakers as Tennessee State Senator Bob Burleson and Johnson City Juvenile Court Judge Shirley Underwood, the club served to enhance students understanding of government and law.

Science Club Visits D.C.

The purpose of the Science Club is to promote interest in the sciences and introduce areas of science not covered in the classroom. Monthly programs presented this year included topics such as genetics, astronomy, computer, and the slides from the Arizona trip. Projects were monitoring the Science Building during study hours and a trip to Washington, D.C.

Fine Arts Club

The Fine Arts Club premiered on campus this year under the direction of Mrs. Crowder. Classic films included "The Taming of the Shrew", "Citizen Kane", "Romeo and Juliet", and "El Cid". Fine Arts members also attended an art auction in Knoxville and held Halloween and Christmas parties. The club is planning to do even more for the Arts at Milligan in the coming years.

Association of Christian Ministries Meets Needs

The Association of Christian Ministries is designed for Bible majors and minors. ACM has two basic purposes: (1) To supplement the member's experiences in the classroom with outside, practical experiences of professional individuals in particular fields of ministry and, (2) To provide a point of interaction between the members expressing a desire to serve the Lord in specific ministries.

Those members pictured above are: K. Means, K. Suchan, C. Robinson, L. Harvey, B. Weekley, P. Tarr, A. Dean, T. Gephart, J. Presnell, S. Brooks, W. Sims, V. Vogt, C. Cornwell, J. Birmingham, G. Wiman, M. Poindexter, M. Tuttle, D. Alexander, M. Corey, G. Moffatt.

Editor's Note: We regret that the members of the newly formed Psychology Club are not pictured as an organization in this yearbook.

Concert and Show Choirs headed by New Director

Concert Choir, under the direction of Mr. Doug Gross, has maintained its musical excellence and public-relations role. This year's Spring tour was "up North" to Ohio, Kentucky, Illinois, and Iowa. This midwest tour proved a new experience for the Southerners in the ensemble. Though Concert Choir stresses quality sound, their performance is dedicated to singing in praise to the Lord, not for themselves. Each concert is preceded by a prayer circle. In addition to the Spring tour, the group has sung in area churches, at the Scottish-Rite Temple in Kingsport, at President Leggett's Inauguration Ceremony, for Founder's Daughter Weekend, Christmas Vespers, the Senior Banquet and Commencement (Graduation). Their musical program ranges from "heavy" church music to spirituals to selections from "The Music Man."

Humor has been a vital aspect of this year's Concert Choir.

Jubilation Corporation, a new ensemble styled ala Broadway and Six-Flags, has brought another dimension to Milligan. Under the direction of Mr. Doug Gross, this "on-the-Road" group of twenty vocalists with instrumental backup and sound-system amplification, performs a variety of music including blues, ballads, country, "50's", pop, contemporary Christian, and musicals.

Women's Ensemble Blends Unique Numbers

The Women's Ensemble is a choice blend of young ladies who love to praise by singing. Dr. Runner directs the assembly in the Monday-thru Thursday rehearsals and the girls appreciate his dedication and excellent instruction.

The group toured this year to the Nashville-Jackson, Tn. areas during early spring. Growing to know one another's life styles and habits on the trip proved as rewarding as the efforts in learning the music and performing it. Some of the favorite numbers were "Love One Another" and "Lolly Toodum".

Milligan Men Seek Growth

Milligan Men have completed its 4th year under the direction of Denny Callahan. Though the music may fade and the songs may be forgotten, the changed lives remain. As a performing ensemble, the Milligan Men hope to affect the lives of individuals in the audience. Musical excellence is sought, but as a by-product of men who sing from their hearts to the heart of the audience. Lives of the men within the group are affected. Opportunity to develop musically has always been emphasized in the group. Some who have entered the group unable to "match pitch" have been able to confidently blend in—or even present their own repertoire. Spiritual growth is sought—each rehearsal begins with a time for sharing concerns and needs, followed by prayer.

For many in the group, a reconsideration of the gospels challenge, reinforced by seeing it in lives of others in the group, has resulted in a personal relationship with their Lord. The group has provided for social expansion, as one member of the group related, "The guys have learned alot about loving each other. There are many different backgrounds and personalities." Patience and the willingness to work for each step of musical excellence are the attributes by which Milligan Men have established themselves.

A Special Tribute

Dr. Harold Stout, coach of the Buffalo Baseball team since 1959, has announced his resignation as of the end of the 1982 semester.

During the past 23 years, Stout has built the baseball program at Milligan into an admirable one. As athletic director Stout has developed 10 teams for intercollegiate competition.

In the time that he has been the coach of the team, they have participated in the Conference Championship 13 times, the District Championship 11 times, and the Area Championship once. His 1972 team won the league title and the 1980 team captured the District 24 NAIA Championship. His overall record is 467-256.

Stout received a B.S. from East Tennessee State University, an M.S. from University of Tennessee, and an Ed. D. also from ETSU.

Baseball under Coach Stout is more than just a game, it is an experience in living. Coach Harold Stout has given a large part of his life to baseball at Milligan College, and the many valuable lessons learned will not soon be forgotten by those he reached out and touched.

Baseball

Bufs' Spirit Never Drops

The 1982 Baseball team had a tough year but always seemed to keep their fans coming back for more action. Many key players didn't return this year to play, and there was no scholarship or expense money provided by the school. These obstacles were overcome, however, by the tightly knit spirit of the team.

Along with all of the trials and "errors" the players enjoyed the stiff competition and learned how to win, how to lose, and how to keep their sanity when everything went wrong. Attitude was the key to the season and everyone learned valuable lessons, from the coach to the very last player.

The Baseball Bufs are living proof of what it takes to keep the Milligan fans on their feet.

Lady Buffs Measure Up

With only two players returning from last year the Lady Buffs Softball team had a tough start but managed to develop into a strong contender by the end of the season.

Becky Carrier, thirdbase and team captain, along with Kim Cassetty, right center and pitcher, returned from last year to lead the team.

This year's schedule was a stiff one including some larger Universities and Colleges against whom the Lady Buffs measured well.

The starting line-up included Pam Kettle-son, 1st base; Sherri Whattenburgher, 2nd base; Becky Carrier, 3rd base; Darlyn "Shell" Gordon, right-center; Kim Sansom, left-field; Helen "Sauce" Fuqua, left-center and pitcher; De-lores Stanberry, shortstop; Teresa "T" Piper, right-field and pitcher; Joy Miller, left field and pitcher; Kim Cassetty, right-center and pitcher; Lynda Miller, pitcher.

Becky led the team in singles while "Shell" and "Sauce" held the highest batting averages at .455 and .458 respectively. The team batting average was .318.

Last Minutes Tell the Tale

This year could be entitled "the year of excitement" for the Buffalo Basketball team, as 25 of the 31 games were decided by 10 points or less, and most of those were decided in the last minute of play.

Although the final mark of 15-16 didn't measure up to many of the seasons of the past, it seemed the Buffs could always rise to the occasion for the important VSAC and VAIA District 24 games.

Milligan finished in second place in the VSAC with a 7-3 record and defeated every other conference team at least once. We finished in third place in the District with a 12-7 mark.

Coach Phil Worrell was selected VSAC Coach of the year for the fourth time in his 13 years as the Buffs' coach. Juniors Mike Brown and Jeff Sanders were selected to the all-VSAC team.

Co-captains for the year were seniors Craig Fair and Marion Steele.

A sincere thank you goes to the players who shot with pride and accuracy . . . to the fans who showed up for both home and away games, applauding and yelling support . . . to the statisticians and cheerleaders for their dedication . . . and of course to the coaches—who led.

Lady Buffs Gain National Ranking

The Lady Buffs' Basketball team was made up of 12 tough ladies who had little in common but came together to form a phenomenal winning team.

They knew they had a lot of talent but didn't expect such unbelievable results. The team was ranked 10th in the nation, 2nd in team field goal percentage, and 2nd in winning margin. Their final record was 22-3. They attribute the success to hard work, dedication, and "sprints."

Individuals who received special recognition were key players throughout the season. Darlyn "Shell" Gordon and Jennifer Taylor were All-Eastern division VSAC selections. Jennifer also claimed 1st team all VSAC, All-District 24 honors, and honorable mention All-American. Vicki Gardner was ranked 2nd in the nation in field goal percentage, Randy Kirk received coach of the year awards for VSAC and District 24.

The Lady Buffs' worked well as a team, and, even when under huge amount of stress, they pulled together and came up with a victory. They have but one regret—that more Milligan students didn't attend more games than they did. Hey fans—why not support Milligan's tough women's team—THEY WIN!

Tennis

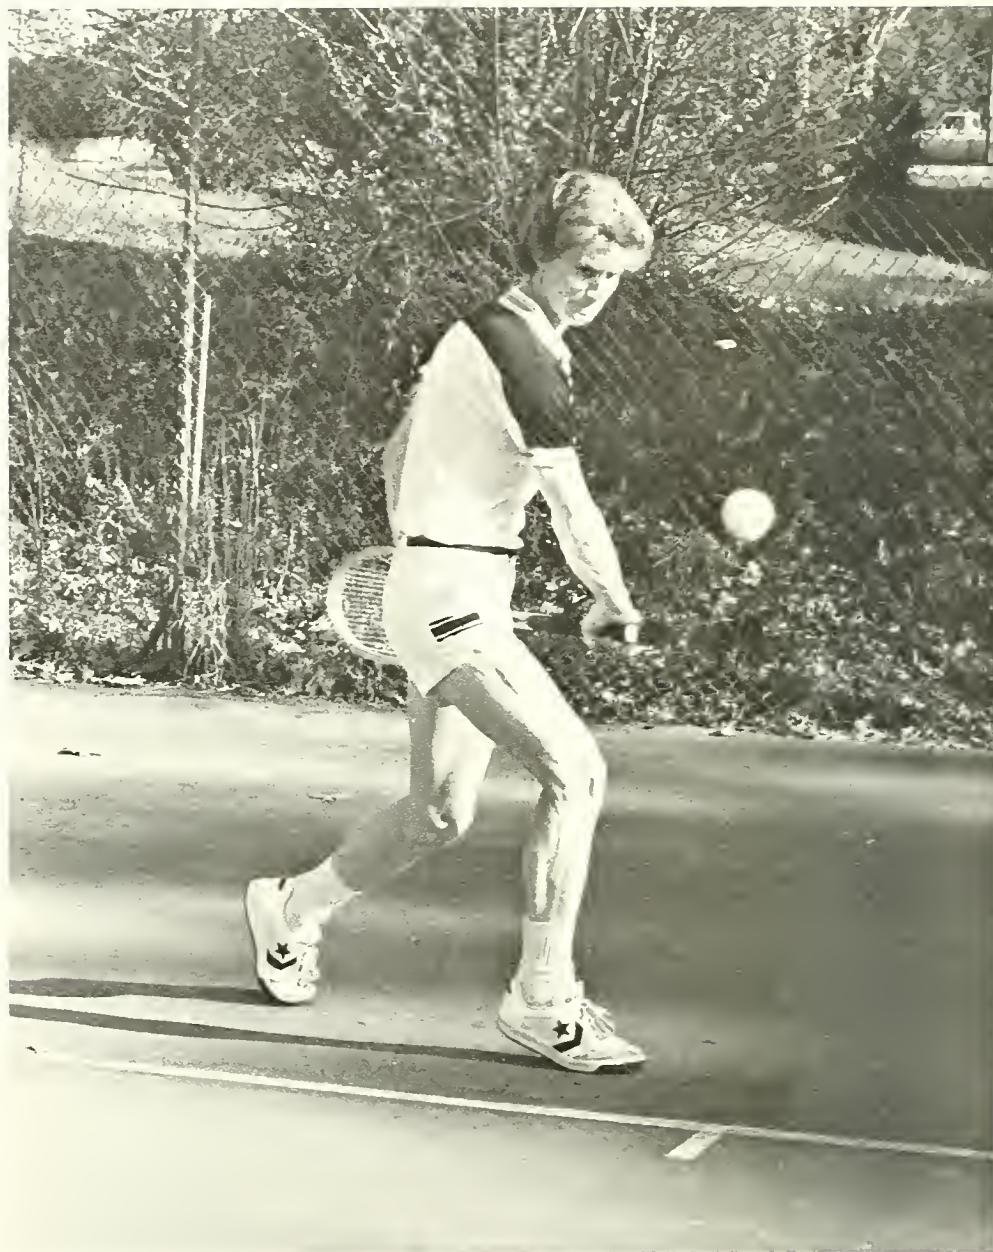

Men's Tennis Lacks Depth

The 1982 team has been through a "trial by fire." Their increased strength above last season was somewhat neutralized by the loss of two members from the top six—Andy Roberts and Scott Shaw, both freshmen.

Sophomores Tracy Moore and Mark Tuttle were the only returning players from last season—Tracy playing the #1 position and Mark #3. Harry Gill, the only senior, aggressively held the #6 position after a year's absence from the team.

Freshmen Bill Struncis, Rich Aubrey, and Chris Riley showed much promise as they played the early season matches at positions #2, #4, and #5, respectively.

The idiosyncrasy of each player on and off the courts has enhanced the esprit de corps as well as the rapport with the coach.

Women's Tennis Survives Hectic Year

The 1982 Women's Tennis team had a hectic season, consisting of 22 matches and one weekend tournament in a seven week period.

Only three players returned from last year, creating a weakness in the lineup. The top three players "switched off" for the number one position; this rotation offered challenge at the top and somewhat of a break at the second and third positions, equalizing the opportunities to excel.

Each girl played with a willing heart and ready racket, and the members shared the wins and losses with growing fondness for each other. Team unity played a strong role.

Rumors of the impending cancellation of the '83 tennis team, due to lack of funds, however, dampened the hopes for such a unity next year, and this was a minus.

The season took its toll both mentally and physically, but gave rewards such as

greater endurance and sharpened skills.

We wear our hair in curls;
We wear our tennis shirts.
We're keen and cute and pert!
We all wear hole-y shoes—
We play to never lose!
And when it comes to guys,
We simply roll our eyes.*

Track Team Under New Coach

The 1982 track season has been a year of transition for Milligan's team. They practiced daily under the direction of Coach Terry Shy—a newcomer to the campus.

Not only did the team have a new coach but also many new members—Rick Gray and Tim Walter were the only two returning lettermen.

Despite such changes, there were many bright spots in the '82 season. The emergence of a strong women's track team was one of them.

Throughout the season both the men's and women's teams placed well in several outings, some of which were attended by many larger colleges and universities. There were also many outstanding individual performances during the season.

All in all, it has been a year for learning and much was accomplished under the direction of Coach Shy.

Only Two Return

The coming of fall signals not only the beginning of another school year but also the start of the Cross Country season. This year's coach Lee Morrow depended upon a variety of experienced and inexperienced runners.

This year's team included only two returning runners and this along with the fact that many invitationals were run, held back the overall record.

Junior Rick Gray was the team captain and last year's MVP. Gray had a very successful season, ending with a 3rd place finish in the district finals.

Gray was paced this year by the #2 runner Mark Yeaton, a newcomer to the squad. Chris Mussard was the only other returning runner.

Other new runners included senior Doug Yeaton, junior Jeff Ingram, sophomore Carl Coleman, and freshmen Steve Borneman and Dave Rehanna.

The Weightlifting Club was a group of 22 guys who used their energy and talents for a good cause, not simply to serve themselves.

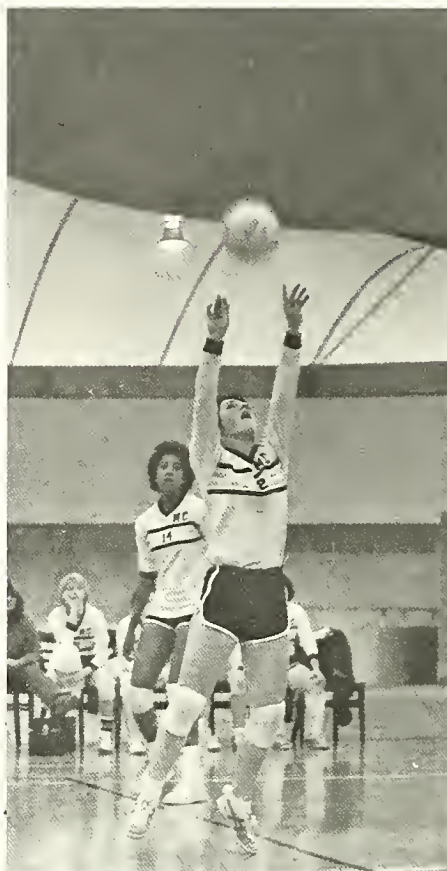

On March 20th they sponsored a "Lift Off". Each member of the club participated in the fund raiser and over \$200.00 was received by the club.

The money went to support a student who went to Haiti, to paint the weight room, and to purchase some new equipment.

The 1981-82 volleyball season proved to have its ups and downs. The beginning of the season held many questions especially concerning whether the team would have a coach or not.

The team was extremely fortunate to have Dr. Bonner to help out. She very graciously spared her time for the team and managed to pull them together for the first match against King College.

With the devastating loss of seven players, including both starting setters, the team had to adjust accordingly. The Lady Buffs were again fortunate to fall back on the depth of the past year's bench and call on the talented Karol May to set. She, along with first year setters Cindy Jackson, Connie Gardiner and Sony Wise all pooled their efforts to provide the spikers with suitable sets.

Becky Merriam, Kim Cassetty, and Sally Mason led the Lady Buffs in the general upperclassman spiking attack although the first year starters were just as indispensable. Those included Helen "Sauce" Fuqua, Betsy Bushnell, Pam Kettleleson, and Teresa Piper. Becky Merriam was the only senior on the team and served as captain. She and Sally Mason held a 90% accurate spiking record, while Sauce held 99% accuracy in serving.

Several Milligan Volleyball members were awarded with the honor of being chosen for the TCWSF all-state Tournament team. They were Becky Merriam, Teresa Piper, Helen Fuqua, Karol May, and Sally Mason. Congrats, ladies!

The Milligan Water Buffs had a great season with an overall record of 9-2. Only 11 meets were held this season due to three cancelations. The Water Buffs also suffered the annual pool malfunctions and were out of the water for quite a while at the beginning of the second semester.

The Stroke-A-Thon was held on September 26 and was a success in that it provided for the funds of the team for the entire season.

The team's toughest opponent was Western Carolina University who defeated the Water Buffs twice. All other opponents were defeated by the Buffs combined teams.

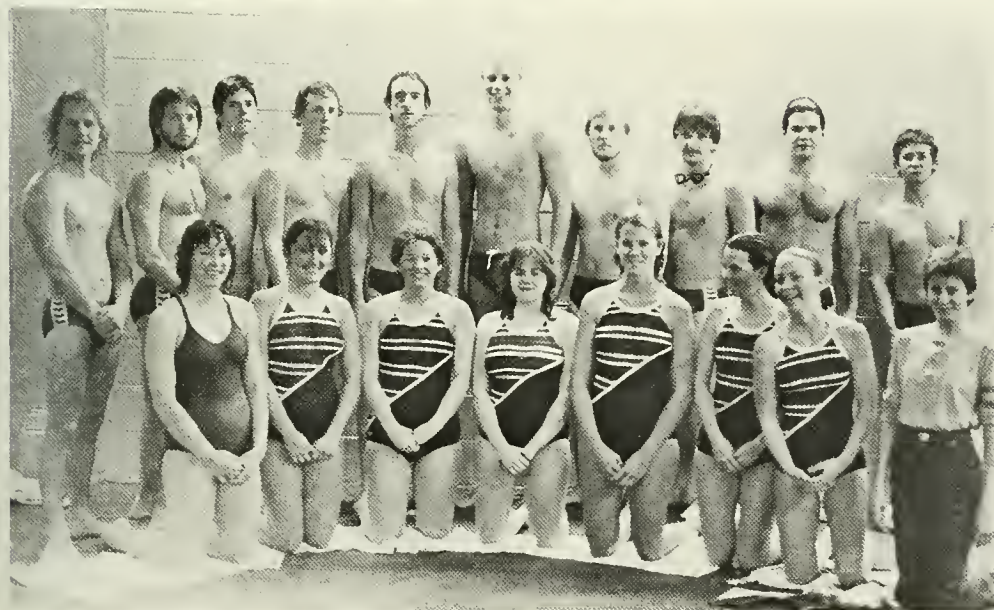

The practices were led by captains Paul Sutherland, and Rachelle James. A suggested workout was posted and the members structured their own individual workouts. The captains along with Dr./Coach "Chucky" Gee adjusted the meet events so as to secure the most possible points.

The team also excelled on an individual basis. The men's team had a tough time breaking records this year, thanks to Mike Gee, last year's superstar. Ken Means managed to capture the record in the 50 and 100 meter butterfly.

Rachelle James holds the record in the 50 and 100 meter back stroke as well as the 200 medley relay. Lori Quebe, who was only present during the first semester, had just enough time to secure the record in the 200 and 400 meter freestyle. Barbara Simpson held records in the 200 and 100 Individual Medley, the 50 and 100 meter butterfly, and the 200 medley relay. Val Watson was also a member of the winning relay and held records in the 50 and 100 meter freestyle. Margaret Winkler led the Buffs in the 50 and 100 meter breaststroke.

All in all the team had a great season and developed a friendly rapport with their opponents. Much thanks goes to Coach and Pam for all their hard work and dedication.

Frustrating Season for Soccer

The Milligan College Soccer Buffs closed a losing season in the fall of the 1981 year after defeating many obstacles.

Finishing the season with no wins, the players held tight and remained a strong team throughout the season. The Buffs overcame a great loss of players due to ineligibility and injury. Like many other teams this year, the Soccer Buffs had to survive the troubles of a lack of sufficient funds.

All appreciation goes to Coach Juan Chiu who spent so much time, showed so much patience, and refused to give up on the team.

Intramurals Exciting for All

The Intramural program at Milligan is designed to meet the needs of the student in an active physical program. The program is organized by an intramural council and the students on this committee make up all the rules and the decisions concerning these rules.

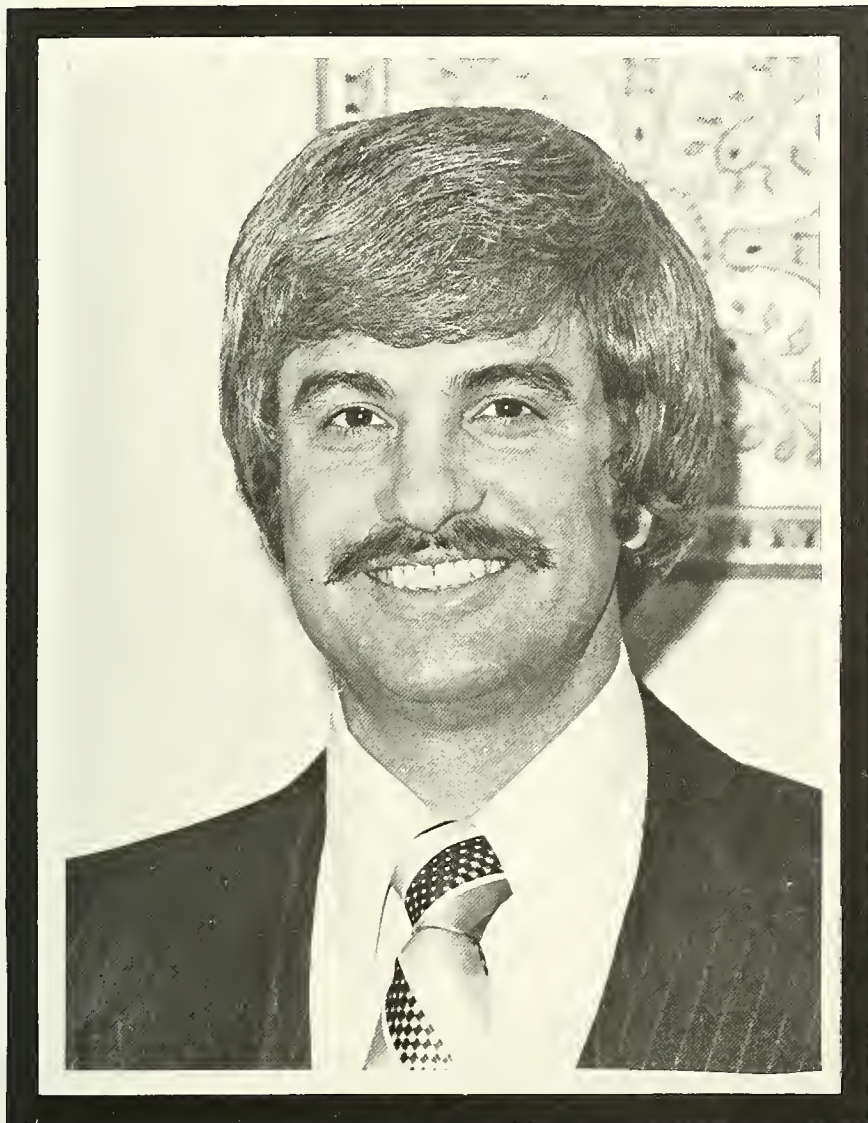

The council is made up of intrawork study students, team captains, three S.G.A. representatives, and other members of the student body. The council is open to suggestions and the meetings are also open to any students wishing to attend.

The main activities include both coed and non-coed programs in flag football, basketball, volleyball, and softball. There are also individual and doubles sports tournaments held at various times throughout the year. These include such activities as racquetball, tennis, badminton, and ping-pong.

Phil Worrell Leaves Milligan

Editor's note: This dedication to Coach Worrell owes much factual data to the article in June 1982 edition of the Mill-Agenda. Special thanks to Mr. Mark Richardson, associate editor, for permission to edit and reprint..

In late spring of 1982, Phil Worrell, appointed to succeed Dr. Harold Stout as Athletic Director, announced his resignation as head coach of Milligan's basketball program. He has served the college for thirteen years of excellent coaching, and he leaves to accept a position with ETSU as one of the top assistants to basketball coach Barry Dowd. Mixed feelings accompany the decision, of course, but Worrell sees this opportunity as a crossroads in his career of coaching.

Worrell himself graduated from Milligan in 1959 after involvement in the basketball, baseball and track programs here. He received his M.S. from Indiana State University in 1965. Until 1969, he held the post of a high school basketball coach in Ohio, and then he found himself back in Tennessee, the head coach of his college alma mater's basketball program.

Within two years the Buffaloes established a name in the conference, and for the next eight years the wins averaged 21 per season. This year Worrell was named Volunteer State Athletic Conference Coach of the Year for the fourth time in his short coaching career. His record stands at 230 victories and 150 losses during the 13 years at Milligan.

Milligan appreciates Coach Worrell's faithful service to the athletic program, and each of us recognize him as an excellent coach. We offer special thanks to him for his dedication and bid him farewell as he prepares for this move to East Tennessee State University.

Prayer for Godly Wisdom

 GOD, let the firmament of heaven be shattered. Let the foundations of the earth burst. We cling to Thee, O rock of salvation, for we have dedicated ourselves to Thee, and we believe in Thy word. May our conduct be righteous and kind. May our speech be humble and gracious. May our thoughts be clear and clean. May we, above all, gain Christian wisdom. To the everlasting cross be glory, forever and ever.

Amen.*

100 Years As A College

Milligan's First President and his wife—Mr. & Mrs. Josephus Hopwood

Editor's Note: The following article is an excerpt from an address delivered by Dr. Henry Webb (Chairman, Area of Biblical Learning) at the Founder's Day Ceremony during Alumni Weekend on November 14.

Buffalo Male and Female Institute was opened in 1867 by W.T. Barker. It would serve young people of the Valley by providing basic education for more than two decades until public education became reliably established in the area.

In the same year a young man who had served in the Illinois armies of the Union entered Abingdon College, a fore-runner of Eureka College. Four years later, in 1873, he graduated, married, and undertook to find a place where he could invest his life in service to mankind in Christ's name. In August of 1875 he came to Johnson City, made arrangements to operate Buffalo Institute, and opened school the next month. The single building was situated on a one-acre tract owned by Joshua Williams. Mr.

Hopwood purchased a small house and one acre adjacent to the school property, thus doubling the campus. Additions to the property came bit by bit and with difficulty.

Mr. Hopwood initiated a policy of seeking out promising students. An early circular stated that the Institute sought to "educate the student for real life" and endeavored to elevate the students character. Lodging and meals could be obtained for \$1.50 to \$1.75 per week.

Hopwood gained the reputation of a good school man. The Institute grew. Meanwhile, public attention was centering on the need for schools and Hopwood saw clearly the opportunity to supplement Buffalo Institute with higher level education. Plans were made to establish a college. In the summer of 1880, 150,000 handmade bricks were burned on the school grounds. In April of 1881 the cornerstone was laid for the college building and the announcement made that the college would be named for Robert Milligan, President of Kentucky University. Milligan was a

mathematician, theologian, and, according to Hopwood, "the purest and best man I have known." A century ago in September the first students were admitted and 100 years ago in May the first degrees were granted to ten qualified students.

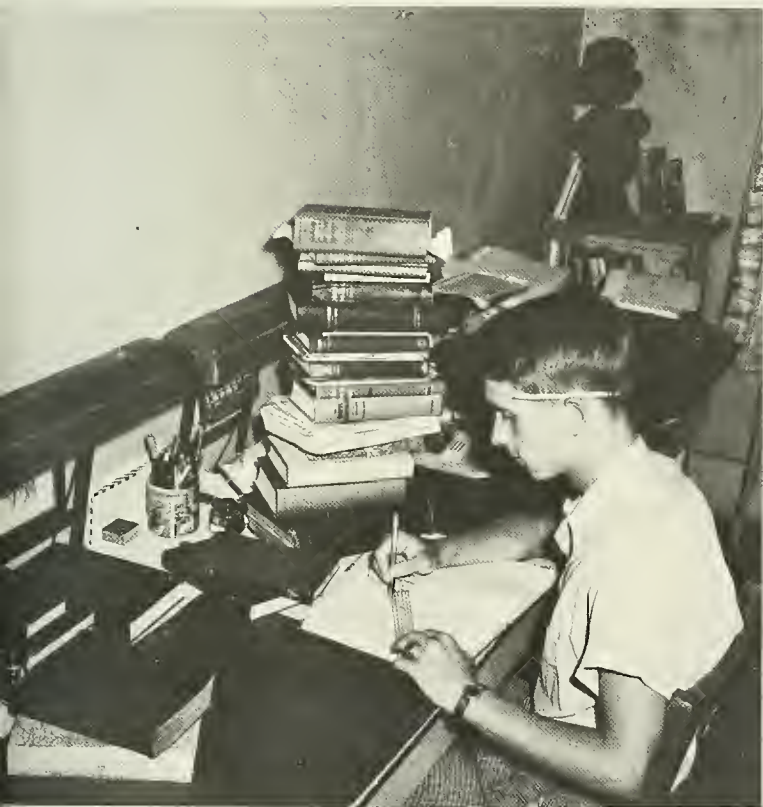

Today, with 100 years of history behind us, Milligan College faces a challenging future. That is nothing new here. Milligan has always demonstrated courage and commitment in confronting its future. To the men and women of the past century, whose vision, and sacrifices, and labor are embodied in this campus and breathed into our tradition, we say: We commit ourselves to the perpetuation of the heritage you have bequeathed to us. During the past 100 years the programs and the products of this community of Christian scholarship have given real meaning to the slogan: Christian Education—The Hope of the World. We enter our second century as a college proud of our heritage and determined to project it into the future.
